H.E. Prof. Dr. Zühtü Arslan,

The Honourable President of the Constitutional Court of the Republic of Turkey.

Dear President,

I would like to express my profound gratitude for the warm reception and gracious hospitality provided to me and to my entourage on my recent visit to Turkey, while attending the symposium on “Interpretation of the Constitution in the Protection of Fundamental Rights and Freedoms”, held on the occasion of the 60th Anniversary of the Constitutional Court of Turkey. Without your kind support and constant attention to detail, I would not have enjoyed myself nearly so much. You were so considerate by helping me make the best use of my time to explore the Constitutional Court of Turkey and learn more of the Judicial System of Turkey. I have brought back precious and everlasting memories to cherish.

I strongly desire and offer to extend mutual cooperation between the two judiciaries, which will help the judges of two countries dispense justice with less cost and time. It is important that both jurisdictions should have strong and cooperative relationships. As we discussed, during my visit, I would like to draw your kind attention regarding the sending of judges from Bangladesh to Turkey for training purposes this year. I firmly believe that the Judiciary of Bangladesh will be benefited immensely and enormously from such efforts.

I would be obliged if you could spare a few days from your busy schedule to pay a visit to Bangladesh at your convenience this year. It shall be my absolute privilege to provide you with hospitality and assistance during visit to Bangladesh.

I wish your good health and continuing success.

I look forward to hearing from you.

Sincerely yours,

Justice Hasan Foez Siddique
